SAUVIGNON BLANC

SUMMER WINES TO STOCK YOUR PICNIC BASKET

"Affordable, delicious and refreshing is a winning combination on a hot summer day! This Sauvignon Blanc has aromas of pineapple, mango and peach with citrus notes, making it a perfect and light option for a hot summer day. On the palate, the wine opens with ripe, tropical fruit flavors followed by crisp, refreshing acidity on the mid-palate and a long, clean, balanced finish."

ENJOY.
